Skip-A-Pay Terms and Conditions

*All Skip-A-Pay requests are subject to Georgia United approval. Interest and finance charges will continue to accrue. Deferring your payment will extend the term of your loan(s), and at the end of the loan(s), a higher total finance charge will be paid than if payments had been made as originally scheduled. Your payment(s) will resume the following month. To be eligible, your account must be in good standing with a \$5 minimum balance and have no charged off accounts. Offer valid for the following personal loan products: credit cards, personal loans and vehicle loans (excluding CURE, Indirect and Lender Protection Auto Loans) that are current and open for more than 90 days. You may complete up to three monthly skips during the 2020 calendar year; however, you may not skip two consecutive months. This offer may be used for one of the following options: one monthly loan payment, two consecutive bi-weekly payments or four consecutive weekly loan payments. The application must be received at least one week prior to your due date. If you elected GAP coverage on your loan, coverage may not be extended beyond the original maturity date. It is your responsibility to cancel any scheduled payments from other financial institutions.

By signing below, I agree to the Skip-A-Pay Terms and Conditions as outlined above.
